

MVP Program Responsibilities and Benefits

IVANTI Community MVP Program

IVANTI recognizes the importance of having a living and thriving community. The success of the Community is based on participation by customers, partners, and employees of IVANTI. To help promote quality contributions IVANTI runs a Community MVP program. The MVP program is by invitation only and offers a range of benefits to our most valuable contributors in the IVANTI Community. Our MVPs will take their knowledge and expertise sharing to new levels! They will be instrumental in enabling a professional environment in which to freely collaborate, maximizing the value of the IVANTI community for all participants.

IVANTI Community MVP Selection Guidelines

Active Forum Participant

Community MVP is expected to be an active contributor in the IVANTI Community. In fact, they are expected to be amongst our most active contributors.

- Holds "Specialist" level or higher (500+ points). [Learn more about how to get points.](#)
- In the top 10 most active within forums of responsibility.
- Actively initiates and responds to IVANTI Community topics of interest—especially in forums of responsibility.
- Post Quality: are questions being answered rather than asked? Was the post marked as a helpful / correct answer.

Content Moderation

The IVANTI Community MVP members are awarded special moderator functions. They adhere to the Moderator Guidelines found here <https://community.ivanti.com/docs/DOC-27659>

Provide Knowledge

The goal of a IVANTI Community MVP is to provide frequent insight and direction for IVANTI Community users. This can be accomplished by answering questions, providing useful links, and sharing business problems, solutions, and experiences.

Community Professionalism

IVANTI Community MVP's are an extension of IVANTI and the IVANTI brand, and as such, are required to participate to a high standard of professionalism.

IVANTI Community MVP Benefits

As a recognition for the help and support the IVANTI Community MVP's give, IVANTI will provide Community MVP's with the following benefits:

- One pass each to IVANTI's Interchange*.

Interchange is the largest conference of the year hosted by IVANTI. Participants will be able to take part in technical training, face-to-face time with IVANTI experts, sneak peaks at future IVANTI solutions, insight into industry trends, and networking with fellow IT professionals.

<http://interchange.ivanti.com/>

- Recognition badges on the IVANTI community site
- Access to IVANTI internal resources.
- Access to the MVP Forum which is used to share technical information and influence the direction of the community.
- One training seat per year to attend a training course of choice**
- Free CLE Examinations.

*Interchange passes are only for access to Interchange itself.

**Training seats are offered as seats only for MVPs and are not transferable to others.

NOTE: Travel and accommodation are not included to Interchange or to attend Training.
